

Chorus Abilene Performance Tour

June 12-18, 2022

Sunday, June 12:

(B) (D)

Board the plane for Daniel K Inouye International Airport in Honolulu! Upon arrival, board your coach and check in to your hotel. Begin your week with evening dinner and welcome activity.

Monday, June 13:

(B) (D)

Spend the day touring the Pearl Harbor historic sites, including the USS Arizona Memorial and Pearl Harbor Museum. Learn more about what happened on December 7, 1941. Your day includes a potential concert at the Pearl Harbor Museum. Enjoy dinner with the group before the evening's activity.

Tuesday, June 14:

(B) (D)

Today begins with early breakfast and a full day tour of the island of Oahu, including Diamond Head, Hanauma Bay Nature Preserve, Halona Blowhole, Nuuanu Pali Lookout, Byodo-In Temple, Tropical Farms, and the Dole Plantation, along with a stop for lunch on your own. After returning to the hotel, enjoy the walk with your group to a hula show, following by nearby dinner.

Wednesday, June 15:

(B) (D)

This morning, you begin your day with a visit to the National Memorial Cemetery of the Pacific (with the possibility of an impromptu performance), the nearby Punchbowl lookout, Governor's Mansion tour (date dependent), the State Capitol Building, and a tour of the Iolani Palace. Iolani Palace focuses on Hawaiian history: when King Kalakaua and his sister and successor, Queen

Liliuokalani, ruled the Hawaiian Kingdom: beautiful memories of grand balls and hula performances, as well as painful ones of Liliuokalani's overthrow and imprisonment. Since the overthrow of the Hawaiian Monarchy, the Palace has undergone many changes as it once served as the Capitol for almost 80 years and was later vacated and restored to its original grandeur in the 1970s. The evening may include either a visit with a local choir or an evening concert.

Thursday, June 16:

(B) (D)

Prepare yourself for a day of fun exploring Hawaiian nature with a visit to a garden and optional waterfall hike. Head from there to the Polynesian Cultural Center for village visits to 6 Pacific cultures; canoe ride; a delicious luau and entertainment; followed by the spectacular evening show “Breathe of Life”, featuring a 100 performers from across the Pacific. This will be the perfect last night as you wind down your tour!

Friday, June 17:

(B)

Pack your bag and board the coach for your last morning experience. Take a ride on a glass bottom boat to see the beauty of life below the surface. Then load up and head back to the airport to begin the journey home.
